

3rd, 4th, and 5th Grade

Choir-Session 2

Open to all 3rd, 4th, and 5th graders who not only want to become better singers, but better musicians! We will learn more about how music works and develop skills necessary to sing your best. A major goal of this class is to help students become stronger worshippers and prepare them for the middle school praise band and various singing opportunities around the community. We will also be leading worship in chapel which will be a great experience for all the singers!
