## **Admission Policies**

Lutheran Church of the Cross Schools are a ministry of Lutheran Church of the Cross/Aliso Viejo Church of the Cross. Lutheran Church of the Cross Preschool and Aliso Viejo Christian School admit students of any race, color, nationality and ethnic origin to the rights, privileges, programs, and activities made available to school students.

Aliso Viejo Christian School reserves the right to be selective in admissions regarding religious conviction and affiliation that in any way would be considered contrary to and/or undermining to the statements of faith and philosophy. The school further reserves the right to be selective in admissions regarding any student who may present undue burden upon the school to provide for his/her needs.

Students enrolling in kindergarten must be five (5) years of age on or before September 1st of the school year they are to enter. Students entering first grade must be six (6) years of age on or before September 1st of the enrollment year.

Aliso Viejo Christian School attempts, through screening (such as but not limited to: interview, placement tests, school recommendation form, grade level report cards, SAT scores), to prevent the possibility of asking a student to withdraw after admission. Students must meet academic and citizenship entrance requirements and maintain successful school performance. All enrollments, however, are viewed as tentative, pending the student's satisfactory adjustment to the curriculum, academic code of honor, school operation, and standards of conduct. Final determination for enrollment will be the decision of the school administration.

Aliso Viejo Christian School strives to meet the educational needs of each and every student. In the event a child has a special academic or behavioral need, AVCS will review each case in order to determine what is in the best interest of the child.
