G.I.F.T. Gala Program Print Deadline

The G.I.F.T. Gala is fast approaching! Donations for the auctions at the G.I.F.T. Gala are arriving every day. We need more, so please continue to submit donations as soon as possible. The program for the Gala is being finalized and will be sent to the printer shortly. Any donors that wish to be listed in the Gala Program must be submitted by Oct. 9, 2009. Donations submitted after this date will be accepted of course but may not be printed in the program for the gala.

G.I.F.T. FALL GALA

ENTERTAINMENT SPOTLIGHT

The group Triorganico led by guitar virtuoso Fabino do Nascimento will perform at our Gala. Moving from his native Brazil 10 years ago at the age of 15 Fabino has perfected his Brazilian/Latin music style and now plays in venues around L.A. and the O.C.

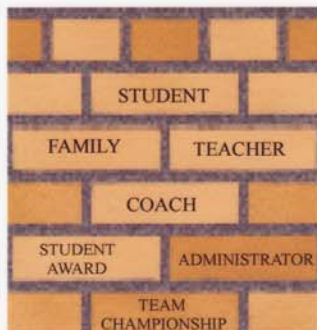

Everyone at the Renaissance has been extremely helpful and generous to AVCS in planning our first off campus G.I.F.T. Gala. Look forward to a truly spectacular evening at this contemporary boutique hotel. Everyone attending the event will receive free day passes so all of us can experience the Renaissance ClubSport.
