G.I.F.T. Events Committee Spotlight:

You have heard the buzz... The Fall G.I.F.T. Gala is coming Saturday, October 24. It will be an evening of fun, with live music, silent and live auctions plus dinner with a performance. The Conquerors committee has been working hard over the last few months on the gala and other activities, so we are going to take a moment to provide you with information about upcoming events and tell you a little about one of our super volunteer committee members who have been wroking so hard for all of us. First up... Danna Lamphere.

Danna Lamphere

Danna Lamphere was born in Indiana, but has lived in California since she was 2 months old. She grew up in San Diego (Go Chargers!) and has lived in Orange County for the past 16 years. Danna is married to David Lamphere and is the mother of two girls who attend AVCS; Mackenna (7th grade) and Hayden (6th grade). You see Danna around often because after 20 years a an Entertainment Lawyer specializing in Music Law she has recently retired. When she is not shuttling her girls between activities, Danna enjoys reading, knitting, making desserts and taking boxing classes, and yes... she is over 6' tall (6'2"). A Fun Fact about Danna is she attended Occidental College with Barack Obama and received over200 calls and emails from reporters all over the world seeking comments about him during the last year of the Presidential Campaign. Her response to all of them was... "No Comment".

Danna has been busy coordinating the Conquerors Events Committee and the upcoming raffles, as well as helping to gather donations for the silent and live auctions for the G.I.F.T. Gala. A few of the items to be raffled are free tuition for 1 year and a \$400 school credit (can be used for registration fees or school trip). In addition to the G.I.F.T. Gala we have the AVLCC Hallowed Eve Carnival on Sunday, October 25, and this year it will include a prize raffle. A few of the raffle prizes Danna has received are a Rock Band Set, several \$50 gift cards, and a Dooney & Burke "hearts" bag. Danna and the events committee members are continuing their hunt for more fun and fabulous items for everyone to bid on in the auctions, so feel free to contact her if you have any items to donate or any questions about the upcoming G.I.F.T. Events.

Commerative Brick Sale

Isaiah 28:16

So this is what the Sovereign Lord says: See I lay a stone in Zion, a tested stone, a precious conerstone for a sure foundation; the one who trusts will never be dismayed.

The home of your child's education, Aliso Viejo Christian School, was founded 10 years ago by the generosity of a few. Help us grow the legacy of your child's education by investing in the building of our new project,

ONE BRICK AT A TIME! You can leave a legacy of your child's attendance and accomplishments at our school by purchasing a personalized brick with their name to be added to our courtyard, or choose a personalized brick to represent your entire family. In 'Honor of' bricks will also be available to honor a special family member, teacher or coach. These bricks will be part of the foundation of the school and will be a treasured remembrance of you child's attendance that will last forever.

Kathy Kern is one of our Event Committee Members and has been working very hard to organize the Brick Program. Pricing and order forms will be available shortly. The first section to be filled is the bricked area by the new covered lunch area.
