

# ENGINEERING WITH LEGO CLASSES

AT ALISO VIEJO CHRISTIAN SCHOOL  
OPEN TO GIRLS & BOYS (K – 2<sup>nd</sup> GRADES)

Thu, Jan 19th 2012 - Mar 8th 2012

CLASS TIME: 3:15 PM – 4:45 PM

Play-Well TEKnologies provides project-based programs designed to teach principles and methods of engineering, architecture, and science utilizing LEGO™ and other building systems. We strive to build problem-solving skills, provide an opportunity for creative expression, foster a greater appreciation of how things work, and encourage the qualities of inquisitiveness, self-reliance, and self-confidence in children. We do this in the context of fun-filled engineering and architectural projects that both the children and our instructors enjoy!

(This class is not affiliated with the LEGO Group.)

**ENGINEERING - CLASS FEE: 128.00**

**NUMBER OF SESSIONS: 8**

**CLASS MINIMUM: 11 STUDENTS**

**CLASS LIMIT: 17 STUDENTS**

## Engineering

Do you like building things? Design and build motorized machines, catapults, pyramids, demolition derby cars, buildings and other constructions out of LEGO® bricks. While exploring engineering, architecture and physics, students will develop problem solving and critical thinking skills. Returning students are given new projects that build on previous projects and concepts.

Class size is limited and enrollment is on a first come first served basis. All materials will be provided. No refunds will be issued after the first class. Refunds only issued prior to first class.

If you would like more information about Play-Well TEKnologies, visit our website at [www.play-well.org](http://www.play-well.org).

Questions? Please contact Glen Inducil at [glen@play-well.org](mailto:glen@play-well.org) or 714-861-9807
