

Homework Rescue!

What: A homework/study hour for 1st-8th graders. Quiet, supervised, assisted homework time for your students. I'm available to help with any subject, plus encourage, focus and direct! **Snack Provided This year!**

First Day of Homework Rescue is Monday, September 12th.

When: Mondays, Tuesdays, Wednesdays and Thursdays; 3:20-4:20.

Where: Ms. Vanderbroek's room 7.

How: Pre-register (see below), drop in, or e-mail me. For drop-ins just email your child's teacher and me when you know they will be attending. I will pick up your child from ARK at 3:15 to begin studying promptly at 3:20. At 4:20, students must be picked up at my door or I will deliver them to ARK.

How much: \$6.00 a session. If you need to cancel any session, there is no penalty-just email me. Monthly billing.

Why: Last year my homework students completed most, if not all their homework (depending on grade level) in one extremely productive hour. They went home at 4:20 to an afternoon and evening free of homework stress and conflict. I have many references! ☺
