## Second Grade Summer Reading Book List

Here is a suggested list of books for your child to read over the summer. If you like, you may choose to read aloud parts of a book with your child (instead of your child reading the whole book). Having your child read aloud to you, will also help increase their fluency.

Enjoy!

Frog & Toad

Cam Jansen

Minnie & Moo

Henry and Mudge

\*Flat Stanley

\*Arthur Chapter books

\*A to Z Mysteries

\*Magic Tree House

\*Please note that these books are at a higher reading level than expected for incoming second graders.

Many Blessings,

Your Second Grade Team
